“ Rejy was definitely a one of a kind gal. Her personality and kindness were bigger than life. I'll never forget her joyful laugh and still hear her call me and many others “kid.” She was full of love for her family, telling stories of all of them through the 25 years I knew her. She loved her God and knowing He was waiting for her possibly lessened her sorrow at leaving her family and friends behind. She was a one of a kind gal, and was happy I got to know her.

I worked with Rejy for many years in Arizona. She was always friendly and kind, often bringing me back a gift of Sanders when returning back from Michigan. My family is also from Michigan so we had that in common. She loved her family a lot and spoke of them often. I was another one she called “kid”. This world will miss her!

“ I met Rejane in 2006, when I came to Phoenix Arizona. We lived in the same apartment complex and we went to St. James Catholic Church. We had fun times. She had a good heart and a great sense of humor. She often talked about her family in Michigan. My heart is hurting but I know she is with our Lord and Savior Jesus Christ. Rest in Peace my friend.

I met Rejy at Discover Card and we became instant friends. I am Polish so she would call me "Pani". We enjoyed so many group trips to Lake Pleasant and monthly lunches. She was very kind and caring. I remember her pasties and "watch it puppy" lol! Her love of her faith and the rosary. I will miss you dear friend but I am sure you are now enjoying your loved ones in heaven. Maryann Permoda
