“ *To the Miller family, my deepest condolences. I will remember Roger as both kind hearted and prophetic, true to his convictions. My family loved him and I know he loved us. I just ran into him and Vicki a couple months ago...so glad I did as he had something significant to say to me...not surprising!! Though time does surely pass, his legacy lives on...until we meet up again!*

“ My memories of Roger include New Year's Eve parties at the Miller home, BBQs, baseball & basketball games, sermons preached, & lunches after church. Growing up with Jason & Joel, our families were friends. When going to the Miller Home as a teenager, Roger, tall in stature, with a deep, loud voice, would often say my name and have a serious look on his face. I would instantly think, & sometimes even say aloud, "I didn't do it," while walking toward him, thinking I was in trouble. Then he would break into a smile and give you the biggest bear hug. Roger was a man who will forever be remembered as a kind, encouraging, family man, yet most of all, a passionate, committed, follower of Christ. He loved God and people and wanted others to experience the joy of knowing God personally as He did. He will be missed. My deepest sympathy to & prayers for the the Miller Family.

“ What a special man Roger was. He showed love to all he came in contact with. Our daughter, Kelly, was in the youth group at Warren Assembly of God when Roger was the youth leader. He always reached out to each of the youth. One time at the alter after a service, my husband went up for prayer. Roger prayed for his back. Since then, Gib has had very little pain in his back. Praise God and thanks to Roger's faith; there was a wonderful healing. Our prayers go out to you during this difficult time, Vickie. ❤️

“ Been walking through this in my mind throughout the week. There are only a few men in my life who have helped mold me into the man I am today. Diane and I met Roger and Vicki when we were 21 attending Warren Assembly, pregnant with our first child and very new Christians. They were amazing and so welcoming. Here was this large figure of a man. I remember one of his first questions to me. "Do you play softball?" I knew right then I had a new friend. I have so many memories, but to share my favorite. It was a Wednesday night and there was prayer being held to receive the Holy Spirit. Roger prayed with me that night. I was so nervous, but Roger, well he walked me through it and to this day, it is one of my most favorite moments in life. The last time I saw Roger was this past summer at a grad party. Like always, I was greeted with the infamous Roger Miller bear hug. I will hold on to that until I get my next one. Love you Roger.

“ Nothing but great memories of Roger and Vikki. Roger was the youth pastor to my kids, and my wife and I loved them as friends. He will be missed.

“ Roger and Vikky are those rare individuals that make the world better. The ripple-effect of their God-goodness (love, patience, kindness, faith, and humor) will continue for generations to come. I was, am, and will continue to be blessed and encouraged by Roger. Wednesday youth group at Warren Assembly of God was a very special place. Roger was our leader. He was our friend. He was our mentor. He didn't just tell of Gods eternal love and undying grace, he modeled it. On days that are very heavy, it is his voice I hear championing me on..." Janice, you are a lot like a basket ball. You never stay down long. You bounce back up ver quickly" just give it time." While most adults do everything they can to get away from teenagers, Roger and Vikky found all sorts of ways to be with us. Like Winter-Holiday's, in Saginaw . Truly, I don't know what my life would be like today, had Roger and Vikky not have been a part during such a crucial time. I thank-God often that His wisdom brought you to us. Roger, this world will miss you. Vikky, you will be in my prayers.

“ I thank God everyday for Pastor Miller's ministry and our paths crossing. Heard him speak for the first time September 2, 2019 and my life has never been the same. Truly a man of God and a profound way of delivering Gods word and changing lives. Your sermons changed mine and brought me to the Lord. I looked forward to Sunday's and your unique way of delivering God's message. Always wishing the service could go on indefinitely. I can 'only imagine' your beautiful smile and joy seeing our Lord face to face and hearing Him say : "Welcome home My faithful servant". You are going to be missed But Never, Never, Never forgotten! ❤️

“ Roger, you taught me how to study the bible, you took your time with the youth group. I remember going to Cornerstone one of the very first outside camping festivals. You taught me some great ground foundations for my life. You're wife was very welcoming with Sunday lunches after church, the bon fires, youth outings, winter break in Saginaw. Most of my best memories growing up was being part of your Youth Group. Vickie, you were truly blessed women to have had a man such as Roger. My heart goes out to you and your family. Prayers and peace. Roger will be missed.

“ Reverend Roger..My memory first time at Marysville Assembly of God during Covid I am a stranger but only once. Roger and Vikki came right to me welcomed me with a warm smile and a huge holy spirit I could feel. This loss is a huge loss to our Christian soldiers. So so sorry for the void in this family with their loss. Dear Heavenly Father please hug their hearts and hold their hand and walk with them. Words will never do justice for this very kind Man. 💔💔💔💔

“ Pastor Roger spoke at our church on Sunday and gave a powerful word from the Lord. We believe God preserved him just for that purpose prior to calling him home. We have come to love Pastor Roger and Vickie and grieve with Vickie's loss, but rejoice with Roger as he is now in the physical presence of his beloved Lord. You are in our prayers and we love you! If there is anything you need, please do not hesitate to reach out to me. I will do anything in my power with the Lord's help to aid you! You are loved!

“ How our family appreciate Roger and Vickie. They were always so kind and loving towards us all. When we first started in ministry you guys encouraged us so much. I loved visiting Armada just to spend time with you guys. Though we later have lived overseas, to sit down with Roger over coffee and talk a few years back (I think it was Louisville, KY) was a blessing for me. It was a great visit with an old friend and brother. I am so glad for that time. It was like no time had passed between us as we had been away so long. Wish we were in MI to attend the service. We love you Roger. God bless you Vickie, children, and grandchildren. Forrest Spears

“ Roger and Vicky took me under their wing when I moved to the Detroit area. Two words come to mind when I think of Roger, Confidence and Encouragement. When he coached our woman's softball team he put me in the outfield - I made plays that surprised me - but he had confidence and encouraged me. Through the year and the many ministry adventures Roger always has had a confidence in God's ability to do miracles and has encouraged my faith. Roger and Vicky's love and support for Jason and Joel and their families is a beautiful testament. My life has been made significantly better having known him. I can only imagine what a time he is having worshipping God face to face. ❤️

“ Roger was the youth pastor at Warren Assembly of God during the time that two of my kids were teens. He was an integral part of my two oldest kids continued faith in the Lord. The impression he made is still with them today. He and Vickie, myself and my wife took the youth group to Cornerstone '84 the first Christian rock festival. I am grateful that God placed you and Vickie in our lives, and your legacy lives on in those you have touched.

“ The friendship you shared with both Wally and I was amazing! Baseball games, church, meals together. Your prophetic ministry was undeniable. Love you and the family even though we haven't seen each other in quite a while. I just imagine you and my husband having fun walking in glory.

“ God puts that one person in your life that you respect. You respect in a way that you will listen to what they teach you even if you dont like it. For me that man was Roger. His legacy will live on for a very long time as I still try to teach my grandkids things that he taught me. Thank you Roger, thank you for Cornerstone, Wednesday Night youth groups, Sunday night youth nights, bonfires, street witnessing, and speaking truth into all of us young kids during those impressionist times.

“ I knew Roger from our years at Madison High School. I remember him as being a kind, friendly guy, who was a good basketball player and was liked by all. I was glad to reconnect with him on facebook not long ago and was pleased to see that he was a man of God. I send Prayers to Roger's Family and Friends.

“ Back in the 80's, I needed a Church when I got out of college. To be honest, I found Warren Assembly in the phone book. Roger was my youth pastor. If you give God the chance, the right people, at the right time, will be put into your life. I enjoyed that time in my life Wed Night youth group, softball, bowling, basketball, and Bible Study. Thank you Pastor for being there for me.

“ *Knew Roger for only a few months now, but he carried the presence of GOD with him every time we met. He filled in the vacancy of a pastor at our church here in Marshall, Mi. We were challenged with his word from the Lord, and excited each week he spoke. He IS missed. Vickie our hearts and prayers are with you and family.*

“ So sorry to get this very sad news of the passing of an exMHS student/athlete that I had the privilege to coach. My recent sharing of comments on facebook have been rewarding and uplifting. God bless this Christian gentleman.

“ I'm so sorry to see this. I served in Armada Assembly for a few years with this wonderful loving pastor. I felt like a son almost immediately when I started there, and still felt like one whenever I saw him again.

“ Dear Vicky & family, my heart is hurting for you. Your husband, father, grandfather & friend engraved on my heart that the goal of the saved life was not heaven but a deeper relationship with Jesus Christ. I will never forget that, it has changed my life and how I look at it. Rev. Miller was a loving, compassionate servant, I am thankful that God allowed our paths to cross. May God comfort you during this difficult time. Love and prayers, Gail Honeywell, YAG.

“ Pastor Roger led me to the Lord in 2011. I can honestly say I would not be where I am today without him coming into my life back then. He spent countless hours counseling me and my (now ex wife) while I struggled to save our marriage and he helped me through my divorce. I cannot say enough good about this man...

“ Randy and I would like to say that Roger was a man like none other. He lived his life for the Lord whole heartedly. Not a shamed to share the gospel with anyone anywhere anytime. Roger was kind and funny. May the peace of the Lord be upon Vickie and the entire family. Such a powerful legacy you all have.

“ The electric company jumped with joy because Roger decided to trim trees on the Saturday of the Michigan vs Michigan State game. A good portion of Warren lost power that day

“ Roger Miller was my youth pastor over 30 years ago at Warren Assembly of God. We had the best youth group ever! And it was mostly because of Roger's leadership. He was so approachable, loved all of us, and desired for each of us to experience an exciting, faith-filled walk with Christ. Wow. Memories of that time are flooding back now in my mind: Wed night gatherings, worship together, softball games, hanging out at Burger King, retreats, concerts, "Heavens gates and Hell's flames"...such a formative time for me. And so much fun! Thank you Roger. And thank you too Vickie; you were definitely the grit behind the man. So grateful for the eternal Hope we have. See you later! 🙏

“ Roger was a "legend" on the basketball court (at least in his mind). There was never enough shots in the game with us both on the court! Men's prayer at Warren A/G were powerful times in the Lord. Roger's example ministered to us all. God moved through Roger. The electric co., in Warren, umped with joy when Roger moved out of the neighborhood (ask Jeff Hlavin for details). Roger you'll be missed. See you soon. Dennis Horn

“ Roger was a tower of strength to me in stature and spirit. As the young one on the pastoral staff under pastor Jeff, Roger encouraged me to be spiritually aggressive in the things of God. I will always remember his laugh as we had pre-service chats in pastoral staff gatherings every Sunday but especially laughing at our slips and gaffs in sermons (we all had them). Roger's sermon on endtimes will be remembered with a smile as he quoted 1Thes 4:16, "The Lord shall descend with a trout..." bringing the house down with laughter. Roger, you were faithful and finished well. I will miss you.
