She got back in contact with me years ago before the 30 year Stevenson High reunion, which I was not able to attend. She kept in touch with me for various occasions and I always appreciated that she kept me "in the loop". What a nice, thoughtful, sweet person she was and I am truly saddened to find out that she's gone from this earth, though happy to know her present joy with the Lord...

A beautiful soul who saw the good in everyone. You will be greatly missed Rhonda. Thank you for bringing all of your classmates together throughout the years. It is because of you that many of us have reconnected. You have enriched many lives in more ways than you know.

“ I have known Rhonda from 5th grade at Walsh Elementary in Sterling Heights. We were in several classes through out Junior High and High School and also was in music class together. Rhonda was a special person who I always would enjoy talking too. She did such a great job in getting our classmates of Stevenson High School together for our Reunions. She will be so missed. My heart goes out to her family and may the Lord in Heaven take care of Rhonda, because Rhonda didn't think of herself first, she put others first. May your heaven be everything you deserve Rhonda. Will miss your kindness and your strength. Aaron Morris

“ My cousin Rhonda was a unique individual. She touched many lives both personally and on FaceBook. The greatest legacy that we can leave in this life is the positive influence we leave on the lives of others. Her passing was a great shock to all of us and may God bless her and her entire family. I knew Rhonda through the FAG forums. She was always open and kind. I am so sorry to hear of her sudden and untimely passing. My heart goes out especially to her parents and her siblings. What unspeakable pain you must be dealing with. I hope in time the memory of the joy she gave will help to dull the pain of her departure. She leaves such a huge gap in the world. She will always be remembered and missed. I was fortunate to have known her.

Rhonda has been my neighbor for 15 years, it was just last week that I saw her snowblowing the driveway! I Still can't believe that she is gone, I'll always remember her coming up to the fence and petting Austin and speaking to him gently. Such a kind gentle person I'll always remember, my heart goes out to the family! I will miss her ❤️

“ Rhonda was an amazing woman. We went to High School together. Didn't know her well then. She and I got to know each other better at our class reunions and privately on FB. Even when she was having her own challenges she never stopped thinking of others and asking for prayers where needed. One of her last posts was: "If you are thinking of someone today, say a prayer for them, because you never know what they might be going through." I am praying for the Shoemaker family and friends. Take comfort knowing when she got to Heaven God said "Well done my faithful servant".

Rhonda will be missed by so many people who knew her kind and helpful ways. I knew her from the Alexander Macomb Chapter of the NSDAR. She was a wonderful genealogist and she made a great orange cake, too. She cared about everyone else's problems even she had many of her own. May she have a special place with the angels.
