“ *Richard & I were classmates at St. Joe's High school in Detroit. I remember him as being a comical and friendly guy. I regret that I didn't keep in touch with him during the years after high school. We had a 50 year reunion in 2006 but Richard wasn't able to attend. May God enjoy his company in heaven.##imported-begin##Fred Haranczak##imported-end##*

“ *I remember "Richie" from my early days on Leland street in Detroit. I can remember going swimming at Belle Isle and playing in the streets with him. I lost contact with him when we moved to the eight mile and gratiot area when I was 13 years old. So sorry to hear of his passing.##imported-begin##Dominic Ciranni##imported-end##*
