“ We send our condolence to the family of Rich. My husband Phil has known him for 20 years as his neighbor and I for shorter period of time. He was a great neighbor to have. His sweet smile would light up his face and make you smile. He was always so nice to chat with. Phil and Rich shared the same passion for cars, and would share their stories with one another .

We were shock to hear the news of his passing. He will be missed by many, I am sure of that. Our prayers for the family during this time of loss. We will light a candle at church in honor of Rich , the kind soul he was.

“ I have worked with Rich the past 6 years - with our offices side by side. He was one of the nicest men I have ever encountered. An absolute true caring gentleman. My heart breaks for his family and friends. He will missed terribly!

“ *Rich and my husband were best friends when they worked together at Black and Decker and have remained friends all these years. I am beyond shocked because you see 6 weeks ago today I buried Rich's good friend my husband Larry Martin. Rich came to the funeral home and was as always his happy kind self. Rich and Larry both were fun loving and funny. Years ago when Rich had more work then he could do he would hire Larry to do some of it which was always a blessing. Like Rich we also have 3 sons and I remember going to (I believe it was Jason's wedding)and proud Rich was to introduce us to his sons. I know Larry was right there in Heaven welcoming Rich and they are already laughing and talking,and more alive then we are. Enjoying everlasting life in Jesus. God Bless Shari Martin*
