

Richard L. Brylewski

July 17, 1946 - February 28, 2021

Richard L. Brylewski, of Warren, passed away Sunday, February 28, 2021, at the age of 74. He was born July 17, 1946 in Detroit, Michigan to the late Marion and Geraldine Brylewski.

Beloved husband of Mary Ann. Dearest father of Jamie (Matt) Steinman, Michael Brylewski and Chrystal (Matt) Feldpausch. Loving grandfather "Papa" of Jacob, Avery and Ella. Dear brother of Dennis (the late Carol) Bryce, Sharon (Steven) Danko and the late Duane Brylewski. Also survived by many loving sister and brother in-laws, nieces, nephews, family and friends.

Richard was a very loving man who would take care of everyone, eventually inheriting the title "Uncle Richie"; even if someone was not related to Richard, he was always known as Uncle Richie. He was a dedicated parishioner of St. Malachy Parish; he coached baseball and basketball for them and Warren Parks & Rec and was an officer of the St. Malachy's Parent's Club where he headed the Ham Sale. Speaking of ham, in his true Polish nature, Richard loved feeding anyone who came into his home; be it his homemade sausage or pierogi, nobody left his home hungry. In his free time he enjoyed playing horseshoes and going deer hunting with his son and friends.

Richard's family meant everything to him, in his words, "Family Is Everything." He loved spending time with his loved ones and treasured playing Star Wars

with his granddaughter Ella. Family and tradition were extremely important to him, something he instilled in lives of those who met him and undoubtedly will continue to be passed down for generations to come as his legacy continues.

“ My beloved brother Rich, I thank the Lord for sharing my life with you for 71 memorable years. The memories of growing up to many to mention will forever be in my heart. Being our best man at our wedding showed you really were the best man. Your love for 48 years to Maryann and fathering and raising 3 wonderful children, Jamie, Michael and Chrystal showed your unending devotion and love. Our Lord saw you were getting tired and it was time for pollock, who did it his way, to rest, so he took you to heaven with dad, mom, Duane and peasty (grama Price). We say farewell for now knowing we will be together again, but you will always be in our hearts, prayers and memories. Know I will always love you Rich.

“ Uncle Rich...a sad, shocking day happened to all of us when you took your journey home. We lost an important part of our family, a loving Uncle, a wonderful dad, a wonderful husband and grandfather. The selfish part of us feels absent without you in our lives but the believer in us knows you are in a better place. To my family...I hurt with you and I pray for all of you as we miss a wonderful part of our lives. Uncle Rich, I miss you and love you very much. You were my Euchre partner, my bowling buddy, my work guru. You gave me run for my money on the lanes for many years and I cherish our family Christmas tournaments. Oh man, the bragging rights and the stakes could never be higher when we stepped on the lanes for a "friendly" match. I could gripe to you about the trials and tribulations and the B.S. of the auto industry as you were part of it for many years. A dedicated worker who rose to the occasion of the ups and downs of the industry while doing it in support of his family. It's tough to appreciate unless you are in it yourself as I am and am humbled by your example you set. "Feast or Famine" is what you told me. "Eat while the eatin' is good because you never know what this damn industry will bring you". And that is what Uncle Rich did. But you didn't do it selflessly, you did it so wonderfully for all as you were all about family. The parties you had, the family gatherings and you...standing at the grill making sure all were fed with your tasty grilled meals. Your love for Aunt Mary and your kids was ever so present and an example I respect. Taking care of others and putting others first was your thing. You always put others first. But now it's your turn to rest as you deserve to be at His table, at His side. I'll always remember how you made sure as kids we got wet during summer pool parties as you'd sneak up on us and throw us in. Your smile was infectious and your laugh so memorable. And you just gotta love how there was time for "1 more" or a "short one" before we all parted ways. With that was a toast to something or someone special...even something simple. Well, now it's time for a toast to you "so I raise my glass and say...Here's to you buddy, for who you are and who you were to all of us for so many wonderful years. A wonderful husband, father, son, brother and uncle. Your work here is done, but your memory

and love is with us forever. May you know how you will be missed and loved. May you be at peace now." We will hurt for some time as this was all too soon. However we know that all will be okay as God will comfort us and welcome you home.
