“ Dear Joan & family, I am truly sorry to hear of Rick's passing. I know how much you loved each other, it was evident every time you were together. I will remember his sense of humor! I pray God will hold you all closely until you see him again. Much love.

He was my godfather (xoxo) Auntie and Uncle attended both of our kids graduation's and any family activities that were celebrated Uncle & Auntie were always there. We lost a good one - gonna miss you Uncle - you are in our Hearts and Prayers.

“ I love my Uncle! His consistent presence at every family gathering growing up is a beautiful childhood remembrance for me, although he would tease me mercilessly. I thought he could do anything! He was so helpful to my parents with his knowledge of home improvements. He helped mom and I convert our basement into a bedroom for me when I was in college. His devotion to Auntie Joan and their long and happy marriage has always been inspiring to me. The blessings of this marriage are shown in the beautiful family that survives him and in their love and devotion to each other. He was devoted to Jesus and the church and he prayed for me often. I am comforted by God's promise that we will see each other again.

“ We loved seeing Uncle Richard & Aunt Joan on Christmas Day. We always tried to have a major lego, puzzle, or building project for the guys to tackle. He had such a great mind. He will be dearly missed.
