“ He became a large part of our lives through being a softball coach. For those kids that had parents who couldn't be there because of jobs or whatever. Mr. Kahn always stepped up and filled that void for many kids. Which included myself. He continued to be that caring and mentoring guide even as we became young adults. He not only coached us on the field, but in life. He will be greatly missed. One of the few adults who had positive impact on my life as a kid.
