“ *Hello!
Please accept our condolences on Dick's passing. The Nowicki and Kania families were friends over many years. Somewhere I have a photo of Dick and I sitting on the grass on a blanket together at what must have been a family Summer outing. Dickie and Tommy, as we were known in those days, were quite young and in diapers I think. Later Dick and I attended Wayne University at the same time. And I remember Dad and Ann, both widowed, in their later years enjoying each other's company. Our families have grown and now reside around the world but I'm sure memories of their closeness over time will always remain. Take care! And Dick will be in our prayers!*
