“ *Although his memory made it difficult for him to remember things, you wouldn't ever catch him without a smile or a joke to tell. A man of pure class and selflessness, a man of faith, a man of loyalty, and an inspiration to all those around him. The world needs more people like my grandfather, and I know his final resting place will be just as blessed to have him as were. Love you Papa.*

“ From the moment our paths cross we had a special bond only further enhanced by our Polish heritage. My life was enriched by having you in it. I will forever treasure our time together. You brought life to everyone around you. I will miss our talks and your stories. Your laughter and joy for life can still be heard. Mostly, I will miss your sayings and your awesome hugs that showed unconditional love. Glad God gave me you as my second father. You'll be forever in my heart. Love you Dad!

♡ Always,
Patty

“ Loved my Cousin with all my heart. Growing up spent Holidays with Him and Bob and Aunt Ann and Uncle Walter. Loved going to the family games, liquor store to drop in and see him and Frank and sometimes my Dad, I worked for Richard at the supper club. I was so proud to say "that's my Cousin." God Bless You and give you Peace and FUN. My whole Family will be waiting to greet you in Heaven.

You will be missed my friend. ❤️

We will miss Richard's wonderful smile. We only met Richard several years ago, however, he immediately made us feel like we had been friends for a very long time. The heavens have received a beautiful Angel. R.I.P. our friend.
