“ I will miss my Dad dearly, he was my Rock. He had a way of putting things in to perspective. He was there for me through thick and thin. When I was having a bad day I could always count on him to cheer me up. He taught me all my family values. If I am half the man he was I will truly be blessed. He was always the life of the PARTY and knew how to have fun. Dad I will miss you dearly and I will always carry you in my HEART. Love you always Den

“ I have been blessed to spent a lot of time with my amazing grandpa. We went on many camping trip, spent numerous Christmas together. He got to meet and hold my daughter. He threw the best corn roasts in town. We even went to cheeseburger festival and up north to the lake together. He was always the life of the party and made every trip/gathering memorable. My grandfather has taught me a lot through life. I'm going to miss him tremendously. I love you grandpa.
