“ *Dear Richard,*

Actually I do not think I have ever called you by your name. DAD is what I referred to you as growing up through the past 20+ years. You were a great man and a devoted father. Thank you for allowing me to share in memories with your family and treating me as if I were one of your own. You will never be forgotten.

To the Lyczak family,

You all are in my thoughts and prayers. <3

“ *Rich, Gone way too soon. Heard a Jeff Beck tune yesterday and it took me back to when we went to see Carl in California oh so many years ago. Good times then. Our thoughts and prayers to the rest of the family.*
