Thank You! He talked all about you kids and Patrick. I wish we would have made it down to Florida through the years! He was a Great, Loving and Fun Man. Everyone ❤️ This man from the bank tells to the guy on the street he didn't even know. Even the the guy who changed our oil cried like a baby when I told him of his passing. After all the trips back and forth to Cleveland Clinic, I had to stop and have the oil changed again. We had just changed the oil 6 weeks earlier.
