“ One of my favorite people all-time. When I moved back home after my parents passed, we used to talk, usually while one of us was trying to cut the lawn. I'd stop him or he'd stop me. I enjoyed that. Now I really miss it. RIP

“ Dear Rick and family, I know that the Lord is with you in your time of sorrow, and that your dad is looking down upon you, from a beautiful place reserved for him, from our God above. Find comfort, knowing that a loving and caring God will welcome him to the everlasting resting place we all wait to be. In his silent strength, find comfort, amen.

“ We are so saddened to hear of the passing of Mr. Ruggero. Such fond memories of this quiet and kind man. I'll always think of him out working in his yard, washing the cars, in the pool... He was gracious enough to help us connect our new gas stove after we had a kitchen fire. Quite honestly, he was the only one I trusted to do it correctly! Love to the entire Ruggero Family. We are thinking about you and will keep you in our prayers. It is so sad to lose another member of the Flanders Drive family.
