I didn't know what love really was until I met you and you showed me how a man loves and treats the love of his life. Thank you for making me so happy and proud to be your wife. I love and will miss you to the end of my days and you come and greet me and take me with you. I love you, your wife.*

“ I will miss you very much Uncle Rich I didn't get to spend a lot of time with you. But the times I did have you were all ways so caring and the best. You and aunt Lisa helped me so much when my dad passed away. I have the necklace you got for me with my dad's ashes and our birthstone. It hangs near by and I know that dad and now you are up in heaven watching over us all. RIH uncle you are very missed and forever loved and cherished.
