“ Going To Miss My Former Brother-In-Law Richard Webb. We Went Through Some Crazy Times Together. As Well As Some Bad. But The Good Out Weights The Small Bad Times. Met Richard Web When We Were Only 16 Years Old. Who Would Ever Know That We Would Become Brother-In-Laws Four Years Later. My Heart Is Broken. You Left Us To Soon. May You R.I.P.+ I'll See You On The Flip Side.

“ *I thought about you today, but that is nothing new.
I thought about you yesterday and will tomorrow too.
I think of you in silence, and make no outward show.
For what it meant to lose you, only those you loved you know.
Remembering you is easy, I do it everyday.
It's just the heartache of losing you that will never go away.*
