“ Dear Diane, Kim and Troy I am so very sorry to hear of your loss. Dick was a good man, and he loved to have fun. We shared lots of great times out at the cottage, I loved it there. I used to go with Aunt Kay and Uncle Ralph on weekends, (they would stop and pick me up on Fridays) we would go fishing off the pontoon boat and clean the fish right in the lake and then fry them up on the little bar-b-que. Sometimes you all would come out on Sunday, and my parents were there and Uncle Ralph would bar-b-q and I always made a Boston cream pie what great times we had. Losing a very dear loved one is a very hard pill to take my prayers and thoughts are with in your time of sorrow. My love and heartfelt sympathies are with you! .

Thank you, Lisa! We always have fond memories of your family and the friendships we have. Your own father holds a special place in my life as literally a surrogate grandfather to me for many years as mine had passed.
