“ Dear Linda, Debbie and Cheryl: We were so terribly sorry to hear about your father. We, too, saw the news coverage. When we lived next to your family in Bloomfield, your father always had a smile on his face, a great wit about him, and lived with such exuberance. What a special gift that Tristan got to know him, and Tristan will surely carry on the special qualities of both Dick and Phyllis. Our thoughts and prayers are with you--the families of Amy Vrzal Ritt and Phil & Mary Vrzal###imported-begin##Amy Vrzal Ritt & Family, Phil & Mary Vrzal###imported-end##

“ Dear Cheryl,
I'm truly sorry for your sudden and tragic loss. I know your father was a terrific man and I'm glad I had an opportunity to know him over the years. I unfortunately will not be able to attend the funeral services however, would like to extend my deepest sympathy to you and your sisters. I do not subscribe to the Detroit News and only learned of this sad story due to local news coverage. Please let me know if there is anything I can do for you and/or your family. At your convenience please give me a call and let me know how you are.##imported-begin##Brian Thomas##imported-end##

“ Dear Debbie, Cheryl and Linda.
I am sorry for your loss and my prayers are with you. I can remember your dad from when we lived in Mexico. He was a great man and always offering to help in any way. After all these years and after I lost my dad your father still called me every couple months just to say hi. He will be missed by many. God Bless.##imported-begin##Tracy Rice (Daughter of John Tierney)##imported-end##

“ Dear Debbie, Cheyrl and Linda,

Our words can't really tell you how shocked and saddened we are about your father's death. We will miss him.

We can't yet really believe that he won't be here. We have known him for thirty years and have enjoyed every minute we spent with him. Clint & Koz have had a special relationship both at work and at play during these years

We did not send flowers, but sent a contribution to the American Heart Society in his memory.

This is a difficult time for you. When you are feeling sad remember all the love and good times you had with him. It will help.

Our best wishes to you##imported-begin##Clinton & Elvira Williams##imported-end##

“ Dear Debra, Cheryl and Linda,

We are so sorry to hear of your dad's passing. I have known him so long and know that he truly is in Heaven. Koz would give the shirt off his back to anyone in need.

We first met in 1961 at the Power Train Group in HP. Rich was in Production Control and I was a Financial Analyst. Over the years we crossed paths numerous times and worked together as Staff Executives and at Interparts.

When I moved to Troy, Koz sponsored me into the Usher's Club at St. Thomas More. For several years while he was my neighbor on Timberwyck we opened the church each Sunday

All the X-M folks remember him well. You can be assured that he will be remembered and discussed for years to come. Rich made an impact on people.

“ *Debra, Cheryl and Linda: We were so sorry to hear via e-mail from Dave Carlson of the passing of your father. Claude worked with Dick at Highland Park and in Mexico. We visited your beautiful home there several times. We didn't know that your mother had passed until we read the funeral home obit. for your father. You have our deepest sympathy. God Bless You###imported-begin##Claude & Juanita Turner###imported-end##*

“ *Dear Linda, Cheryl and Debbie,*

Your dad was more than our neighbor, he was my garden buddy and Sam's Chrysler friend. It was such a pleasure having our "Knollwood" properties touch each other. We always had such nice visits together. I hope they enjoyed me as much as I enjoyed them. I know in my heart that your dad has gone to be with your mom.###imported-begin##Denise and Sam Aloia###imported-end##

“ I would like to express my deepest sympathy to the family for their loss. It's been a tough time for all of you. I have had the pleasure of working with Richard over the past several years as I am with the management company for the community in which he lives. It was truly a pleasure to see Richard come through the door at the office and bring his smile and sunshine into my day. Your father/grandfather will truly be missed.

God Bless!!##imported-begin##Kellyb Bruglio##imported-end##

“ Dear Debra, Cheryl and Linda,
We are very sorry for your loss of your father. We both have very fine memories of working with Dick. As you know, Dave worked with him at Chrysler Mexico and Export-Import. Sue enjoyed working with him at Ex-Im.

With heartfelt sympathy,
