“ Although God has taken your physical body from us, you will always be in our memory. If I could have hand picked a best friend in my life, I'm sure it would have been someone like you. You were a hardworking Toolmaker[the best I ever worked with]A dedicated family man to your wife Therasa and a loving father to Joe and Julie but most of all you were always there for me,never asking anything in return.I will always remember our times in the woods doing what we both loved to do,hunt.Your stone should read 'Here lies a great hunter with trophys to prove it".You will be missed until we meet again. Your best friend and surrogate brother George.Rest in peace brother,the pain is gone.##imported-begin##George a. Fields & Family##imported-end##

“ *My Richard, My Richard, My Richard - how we'll miss you. You have been the most wonderful nephew and cousin to Dee Dee, mom and me. To Diane and me you were the brother we never had. Thank you with all my heart for being there for us each and every time you were needed and then some.*

I shall never ever forget you, and will carry my love for you deep within my heart always.

May God Bless and keep you Richard, as the angels "welcome you to paradise". Our prayers will always be with you, our dear Richard.

All our love,
