“ Auntie Anna, Shayla, and Barb-

I know I could never say anything to make you feel better. Please know that you are not alone and that I would do anything for any of you. I love you all more than I could ever write and I hope you know that all you need to do is call and I will be right there. I miss Uncle Ricky very much and I am so thankful that we went to Florida together. Those are memories I will cherish forever. Uncle Ricky was an amazing man who made everyone he knew a better person just by being around him. That can never be replaced. Just know that I love you and I'm here when you need me no matter what.##imported-begin##Lindsay##imported-end##
