“ I first met Dick in 1990 when I went to work for him. I continued to work for him until he retired. I have many good memories of those years. Dick taught me a lot and kept me laughing daily. I am honored to have known him, and he will be greatly missed.##imported-begin##Don Fazenbaker##imported-end##

“ Dad,

Thank you for the last years in time spent. The memories will be lasting. You are at Peace now, without pain with your loved ones and our Father in Heaven. God Bless and Rest in Peace. You will be missed.

Love,
