“ I moved here in 1979 and Richard and Dorothy were one of the first families we met. They were like an extra set of grandparents for my children. Richard, always cheerful, kind and considerate; never without some household project, was an amazing man who tackled anything that came his way. He never wanted to inconvenience anyone even though he always looked to help others. We will miss our little chats. It won't be the same not seeing him working on his yard this spring. He was more than a neighbor he was a friend.##imported-begin##Paul & Lynda Reside##imported-end##

“ I am very sorry to hear of Richard's passing. I grew up in the neighborhood where Richard and Dorothy lived and where my parents still live. I will always remember his kindness and the special individual Halloween bags Richard and Dorothy always made for us kids in the neighborhood. It will be so strange to visit my family and not see Richard busy at some project around the house; he was the most active person I have ever met for his age. My prayers and thoughts are with his family.##imported-begin##Erin Britton##imported-end##

“ *Richard was my uncle by marriage to my Aunt Dorothy Cichon. I was very saddened to hear of his passing. Richard was an integral member of our family for over 40 years.*

Even though Richard was intensely private, I was always struck by his kindness. He and my aunt took care of my grandmother for the first ten years of their marriage. He was a wonderful husband to my aunt and remained in close contact with the family after her death. He will be greatly missed by all of us.##imported-begin##Karen Yesowich Schmucker##imported-end##
