“ Dear Mrs. Palinski,

*I am very sorry to hear of the death of your husband. Having lost my own father at a young age, I can imagine what a difficult time this must be for you and your children. It is my prayer that you will find comfort and support from family and friends, and especially from our "Father of tender mercies and God of all comfort". Please take care. “ *Richard was my dear friend for 20 years and I will miss him dearly. He was a very generous man in that he helped anyone that ever needed helping. He had an inner strength and spoke his own mind - he was the boss.*

*My biggest regrets are that:*

*He was the only son of Theresa and she will sorely miss him; this place in her heart won't be filled by time nor others.*

*He was the only brother to Nancy and she won't have his presence in her life any longer and the time they spent together will never again be had.*

*He was the husband of Janet and father to Katie, Wally and Jackie. He was a good man and was kind and loving in many secret ways that the outside world never knew. The times they had will be sorely missed.*

*In closing I would like to say that it has been my blessing to know each and every one of them and I will miss Richard in my own special way as he was my very good friend.*

*Love Always,*

*Georgia*

“ Janet my friend I can't imagine your grief right now. I know how very much you love Rich and it is a terrible lose. My heart aches for you right now, and in the coming months as you face your sorrow. Rich touched many people and I only hope that as many of us can touch your life the way he touched ours. I know that I did know now him that well but I know you and know that you would have had no other than Rich as he was your true love. I wish love and comfort at this time so that you may preserver through this tragic loss. You have our love and prayers.##imported-begin##The Tittles##imported-end##
