“ To Jenny & Natalie,
Rick was such a character. I know he loved you both with all his heart and he would always make light of whatever situation there was. There was never a time that I visited with him that it didn't end in a smile and WHAT a smile he had. He would light up the room. I cannot imagine the pain and heartbreak you all are experiencing but know that the heavenly father sees the bigger picture and his body is a new one without blemish! His memories are only of those of joy and pain has no place in heaven. I love you guys and wish I could be there to pay my respect to the husband of my forever friend. We love you Ricky.....and I know you are smiling down on us...send a comforting angel down for your family today they are going to need an extra hug.##imported-begin##Tina Smock##imported-end##

“ Godfather, your love was always genuine. I'm flooded with so many memories of times we shared. To say I'm grateful for the bond we had is an understatement. For all the ups and downs life brings, you always turned things around with a smile and a laugh ... A laugh I will always hear when I think of you! I'm a piece of you always and behind my tears is a smile knowing I'll see you again!###imported-begin###Ryan Polachowski###imported-end##

“ I can't believe my "Little Bro" is gone. My heart is aching for him. I know he is not suffering any more but it doesn't make it any easier. I know he is with mom and dad.
