“ *I remember taking Rita out to Todd's Sway lounge. She was the center of attention. Everyone gather around her and you could feel the love in the room. Rita could bring light and smiles to a room. I will always think of her in that way all our love Carmelo and John*

“ Many of my childhood memories have aunt Debbie and Nana in them! I am so blessed by the love she showed me as a young child. It has been many years now, but in my mind and heart she has always been family!

“ There are no words to tell you both Deborah & Brian how much your mom meant to me & how much she will be missed. It won't be the same coming I to work @ Fraser Villa & not seeing her smiling g face. She was always so particular about her appearance & how she looked. Her hair was always fixed * she usually loved her unique colorfull skirts. She loved babies especially & had a special place in her heart for °animals. I am gonna miss you Ms. Rita, I love you & will always keep you in my prayers Brrian & Deborah please know that you both were two of most attentive, caring, loving children a mother could ask for & your mother knew this. May you have peace & solace in knowing this, God Bless. Linda R. Duszkiewicz, LMSW H
