“ I have thought of your mom often over the years with much fondness. She was a woman of great character, and a shining example of the virtues of motherhood. Even though I knew her for only a few years in my youth, she influenced me greatly. I have never forgotten the time she spent engaging in girl talk with me, and sharing the wisdom of her own experiences to give me practical advice which I remembered and took to heart. Her love of family and her dedication to her faith were very apparent in her words. I will pray for your family as you deal with this loss.

“ Sending hugs, friendship and sympathy to you, Jim and Sabine and your family. I know your Mom was an amazing woman to have had such a beautiful and loving family. It has been quite a while since we played baseball for VW and shared lots of fun times, you will always be in my thoughts and prayers.

You set a great example Grandma of living your faith, through the good and bad, and with all the pain you've had to deal with. I will always try to be the example you were. Say HI to Grandpa for me!! We will always Love You!
