“ My Michigan mom left us Tuesday, April 18 and is now in heaven with the love of her life Dan Rivard. Nancy was always quick to strike up a conversation with family, friends or a new acquaintance. This picture is of the 3 most important and influential women in my life. Heaven gained a bright star and we lost one. Her memory and love will always be close to my heart. All my love to Donna & Bob during this difficult time. Until next time. RIP Smiley. Love JL ❤️🙏

In memory of my friend Nancy, my thoughts go out to my daughter-in-law Donna and her brother Bob and to my son Jamie Lawlor. I found Nancy to be a loving and caring person who was very kind and thoughtful. I met Nancy six years ago but it seems like a lifetime. May her soul rest in peace.
