“ *I've known Bob since I was a kid. He was very loving & kind to me always. Dave & I would see him at car shows and he always went out of his way to see me, even if Kim or her mom wasn't there. With tears in my eyes, I know he was so great to Brendan. I'm sorry for all of you, his loss was so sudden. My prayers are with you.*

“ Bob was a friend I got to know from the car shows and cruise nights we both attended.

We didn't see each other as often we used to since I moved a few years back, but I would look for him every year at Autorama. He was a good guy and will be missed.

Bobs family will be in my thoughts and prayers.

“ Bob will be truly missed up at the lake! He always called me "kid" and brought a smile to my face. He was so thoughtful and caring! He loved fishing off the dock. . . even though he wasn't catching much this summer, but he would sit on that dock for hours. . . so patient. I will miss him so much. . . such a kind soul! Frank & I were blessed to have met Bob and get to know him. May you rest in Peace dear friend! Rest In Peace! The Lord has another great man with him. . . . may Bob's family and friends find peace in the wonderful memories.
