“ Our condolences to the wlash family, we are so so sorry for your loss,your family has been in our life's for about 20 yrs our kids went to school together and we just recently got to know Bob, he came to the Woodward cruise with bobby a few times . I'd have to say he was one of the nicest and most polite men I'd ever met. He will forever be remembered for that I'm sure by more people then myself. I'm so sorry for your loss and we are sorry that we couldn't make it to the viewing , we had a family member pass away that week as well.
Prayers for all of you,

“ Debbie, Christen, Dee dee, Laura and Bobby our hearts are hurting with the passing of Bob. We had so many memories we made together for so many years. Although you moved away you never forgot us. Bob and Bobby continue to come by and sit on the porch with us and we love that you included us in family gatherings. We shared a lot of laughs and some tears too. I remember how Bob love to cut the grass. For years he cut our grass and we joked calling him our lawn care. I hope you have a beer with our loved ones up there in Heaven. You were a good man who loved your wife and family very much. RIP Buddy. Until we meet again Love Micahel Roskos and Mary Fintor
