“ To the family of Bob Dopp: Please accept my most heartfelt sorrow for your loss.
*I worked with Bob at the Ford Sterling Plant from 1973 til Bob retired. What a wonderful man, very well respected by his peers. He was always so quiet and non-assuming. An excellent Engineer with an outstanding ability to not only solve problems but also to prevent any future issues. A man of tremendous character and unquestionable work ethic.
May Bobs' soul and the souls' of all the faithful departed rest in Peace .Amen.
Dan Jendza retired Ford Engineering*
