“ *Daddy you are my heart. Mom couldn't wait to be with you. She was so tired and was without you for 19 days. Her heart was with you and we understand that you both had to leave us. Take good care of Mom, and know that you both left this world more loved that you'll ever know. Fly with the angels and be happy together. God has given us many blessed years with you both. Your Loving Daughter, Marilyn*
