“ *Those special memories of you will always bring a smile. If only I could have your back for just a little while longer we could sit, talk and fish just like we used to do. You always meant so very much and always will do too. The fact that you're no longer here will always cause me pain but you're forever in my heart till we meet again. Bill and Sylvia Frontiera*

**Fishing** - November 22, 2020 at 12:00 AM

“ *We will never know another man that had a greater love for his wife and kids and especially his grandkids. He loved people and fishing on the lake was always in his mind. The ultimate outdoorsman that you rarely saw actually inside a house. We love him and know he is catching that big one in heaven today!!*
