“ *Thank you Bob and the Ellis Family for the many years of support to the Van Dyke Public Schools. He was a loyal supporter, pitching in to help with parades, fundraisers, and even taking care of the teacher's cars when they broke down on the way to work. Bob was community supporter and always greeted you with a smile and a joke. He was a honest and respected business man. The corner of MacArthur and Toepfer will not be the same.*

“ I feel very blessed to have had the privilege to call this man Uncle Bob. I know the angels are rejoicing right now because he has joined them but I can't help but feel sad that our family has lost such a wonderful man..So sorry I can't be there to pay my respects in person. I love you Aunt Joann and my prayers and thoughts are with you.

I'm sure I can speak for all Bob's friends at AAA who dealt with him and his family. This was a truly good man who made everyone who knew him better for it.

Rest in peace my friend.

Bob, you will be missed by many. The garage will not be the same without your smiling face there. I thought the world of you and you always made me smile. It always made me happy when you said we were like family. The world has definitely lost a good man. My thoughts and prayers are with your family. Rest in Peace.
