“ I'm deeply saddened to hear of Bob's passing. I worked with Bob and have many fond memories of him. He was a special man and loved by so many. I remember his desk filled with pictures and notes from his Grandkids. He cherished his family and was proud to show it. May you and your family find peace knowing that Bob is eternally at peace.

“ I used to work with Bob Fluent @ SVS Vision. I was the manager @ the Mt Clemens location. Bob was a great problem solver when it came to patients having issues seeing out of their glasses. He would see patients from SVS Vision stores through out the state of Michigan. He made 98% of those patients happy. I remember a patient I waited on told Bob I put acid on his frames & burned his face. But I told him the acid in his system turned the frames green. He wanted to meet Bob in a Parking lot some where by the airport. I told him not to go it sounds like a Jimmy Hoffa story! Bob did meet him & didn't see any burn marks on his face. He never saw a Dr. For burns on his face. He just wanted to see Bob. Strange situation. He tried to sue but lost. That's just 1 story. Bob will be missed my deepest sympathy goes out to the family. Geri, Bobby & Todd. I would be there but I live in Naples Fl. Now. Sincerly Darlene LaPorte

“ *I have wonderful memories growing up with the Fluent families. Uncle Bob, especially. The memories that bring the greatest smiles are when Uncle Bob and my dad were together. They were always laughing, sharing the same jokes that were never unkind but absolutely hysterical. I imagine my dad, there in heaven, greeting Uncle Bob with a beer in one hand, a smile on his face, and an out stretched arm letting him know everything will be okay. They are sharing a joke. I love you Aunt Jerry, Bobby and Todd and the rest of the family. You are in my thoughts and prayers.*

“ *Bob and Jerry have been our neighbors and dear friends since we first moved across the street from them, over 21 year ago. They have watched our children grown to adults, and we have seen Bobby and Todd prosper and have families of their own. We couldn't have asked for more wonderful people to share our lives with over the years. We will miss Bob dotting on his yard, packing up his golf clubs for another round, and hanging out in his driveway with his family and grandchildren. Bob was a kind, warm, friendly person with such a big heart, and held a special place in his heart for our daughter Stephanie. We love you Bob, and will truly miss you. Our hearts and condolences go out to Jerry, the kids and their families. Love, the Rots family.*

“ I will miss my dad everyday but feel so very blessed that I was able to share in his life. He was an exceptional man full of love, life and loyalty. I can say how lucky I feel to have had him as a father in law and a friend. I will love him always and forever!
