“ Grandpa-You will be missed by all. Your firm handshakes, guiding words, and devotion to family and church helped make those around you better people. It was such a pleasure to see you before God called you home. I will certainly miss my role model who taught me how to be a man. All the traits you instilled in me have led to where I am today, and for that I thank you. Some of the last words you said to me really struck a cord: "Do a good job." You always took pride in doing a good job and caring for people around you. Everyone loves you very much, and we all know we were loved back. May you rest in peace. I pray that all the fairways in Heaven are long, straight, and green. Until we meet again; I Love You Grandpa.

“ Uncle Bob you will be greatly missed. You were kinda like the rock on the sidelines to me. I always felt your presence and knew in my heart you were there for me if I ever needed you. The best memories I have growing up were all the holidays, birthdays, and whenever days we were all together to celebrate together. Uncles, Aunts, Nana and of course all of the cousins. You always gave me a gentle touch on the shoulder, or a hug whenever I saw you and whenever we parted ways. I always knew you loved me and I regret not telling you more often that I loved you too. I remember how you told me you were so very proud of me, well I was very proud to call you Uncle Bob. Rest in Peace Uncle Bob until we meet again.

Your loving niece,  
Susan

“ We are so sorry to hear that our dear neighbor of 17 years, *Bob Glowczewski* is no longer with us. Our fond memories will be of his friendly smiles, him riding his bike, him cutting the grass (Yes Bob had the best lawn!) and our talks. You will be missed! *RIP*
