“ We had a lot of fun with Bob and enjoyed many gatherings at both his house, the condo he and Mary shared, and their new home. We also had outings on our boat and at a variety of restaurants on and off the water. One summer Bob and Mary were guests at a cottage we rented up north. Those times will be fondly remembered and we will miss seeing our friend.

“ *Our dads were brothers and so there were always holidays and summer outings as far back as I can remember. Since Bob was one year my senior, I can honestly say I've known him all my life. I pray for the repose of his soul, and for the family in this very difficult time.*
