“ Dear Sandi,

We were so sorry to read about Bob's passing in the paper. Please know that our memories of Bob will stay with us forever for the wonderful trips that he planned for the Management Club. If not for these trips, Bonnie and I would not have had such good times on our Mediterranean/European cruise in 2005, the Dominican Republic in 2009 and at Riviera Maya in Mexico in 2010. He always got us the best prices and we always had a great time!

We will never forget his humor and him telling us that he was going to get us a 'better deal' that he was working on. And he did! I still remember getting refund checks long after our trip where he had gotten us 'rebates' from our trips.

Bob was a nice guy, and you were both fortunate to be able to travel together on so many trips and vacations, so I'm sure have many pleasant memories of him and your travels - we sure do!

Bless you and take good care of yourself. Give us a call if we can do anything to help.

“ Dear Sandi,

As dear friends of my parents, you and Bob have also been regarded fondly by us. Over the years, we have enjoyed hearing stories of your travels and other adventures with them. We have appreciated the times you attended our children's special events - like Rachel's ballet recital and Tim's drama production. We were saddened to hear of Bob's passing. You have our deepest sympathies at the loss of your husband. May God's comfort and peace rest upon you.

I enjoyed going to lunch, social events or just stopping by to have a drink. I enjoyed our life stories that good friends share. I will miss those times, but know Bob is in a better place now. The next time I go to our favorite Restaurant I will have our favorite corn beef sandwich and think of Bob.. God Bless. KenI

“ Dear Sandy,

You have my deepest sympathy.

Bob will always be remembered as a dear neighbor to my parents, as well as a good friend to all of us. He remained so kind and thoughtful to my dad, even after my mom was gone, and you moved away. It certainly reflected that loyalty was one of his many fine qualities.

May you find peace in your happy memories.

*Love,

“ *Sandy, sorry to hear of Bob's passing. He always treated me with respect and understanding in both our social and work environments. I am not going to be able to cover a dinner which I promised him because of the advice he gave me about a step my son was taking in seeking a new job, advice that I past on to my son. It saved him from making a mistake in the job choice he was making. Bob was also very sympathetic and helpful with Dorothy and I when I was pick-pocketed in Italy. I don't know if we would have done any travelling if it was not for Bob and the trips he arranged. He worked very hard on each trip, much to our enjoyment.*
