

## Robert E. Kammerer

April 27, 1942 - December 21, 2020

Robert (Bob) Kammerer passed away on December 21 exactly two months after his beloved wife of 55 years, Charlene Kammerer passed. He died of heart complications. Bob was born in 1942 in Cincinnati, Ohio, the first son of an insurance salesman and nurse. Bob pursued his education at Xavier University where he entered the ROTC and graduated with a degree in economics. Shortly after graduating he entered the Army and continued his career for over 25 years. Among his many professional highlights were postings to Vietnam, Virginia, Korea, and Michigan. After his Army career Bob worked in the national security sector in the Detroit area until his retirement in 2008. As proud as Bob was of his military career he was more proud of his family. He and Charlene are survived by two sons; David and Eric, their spouses; Kristine and Sarah, and two grandsons; William and John. A memorial service is to be held at later date after which an interment will take place at Arlington Cemetery. The family suggests that any memorial donations be directed to Calvary Women's Services in Washington, DC.
