Bob loved his family adored his grand children and his beautiful wife and loving girls and his son in law and great friend Dan. Kim and Michele loved and respected their Dad and looked to him for advice and LOVE they surely are having a broken heart. Bob loved his wife so much he always had her in his heart and mind. This man was respected by so many and showed and gave the same to all a very loyal and loving friend.*

“ *I was very lucky to grow up with such a wonderful family. I hold many memories close to my heart of Uncle Bob. A few of them are sausage making parties, Thanksgiving Day parades and a trip to the bar on Chene street and our Daddy daughter hunting weekends. I always admired his quiet strength and strong family values especially these past few months. Giving peace to his family was more important than continuing to fight. I know he gave hugs to the Krygier/Kluka angels and is sharing a piwo with them.*

*All my love to Pattie Ann, Kim, Shel, Dan and the kids.*
