“ When I stop and think of all the family members that have passed in recent years, I envision a wonderful family reunion amongst them all in heaven. I see them laughing and greeting each other. There are so many "Guardian Angels" watching over all of us, I try not to grieve, but to revel in the wonders of God, and to celebrate the time that they were here with us.

However, please know that our hearts are heavy with your loss too. God Bless you all and we pray for strength for everyone through this very trying time.

“ Poppa, we will always remember and miss you in the family. Here is a memory from Tara Jennifer: Cutting up apples, pears, and Grammie making the oatmeal. You at the head of the table along with Grammie babysitting Tonia, Tracy, and I under your beautiful green overhead lamp. I will never forget you, Pops! You are and will always be one of a kind! This is for Grammie for a little laugh: What's behind the 8 ball? Crazy said Red!!!

“ My Uncle Bob,

Not only are you my Godfather, but you have always been an amazing caring Uncle to me.

Thank you for being a wonderful brother to my Dad, great husband to my auntie Mo, amazing father to my cousins, and a great grandfather.

We had amazing years of love, laughter and family together, and I am so grateful for that. I miss you terribly and will always keep you very close in my heart.

Your loving niece,

“ Love you dad. My heart is very sad that you have left us. I know that you are in a better place now. I will miss you deeply. I have the wonderful memories that will always be with me when I think of you. You created a great family. No one can as for anything better than that for any human being. I was so lucky to be raised by two loving parents that were married for 60 years.
