“ *I am so sorry for your loss. I remember the wonderful family vacations from Knoxville to Detroit to see Robert and your family. I always looked forward to those trips and loved playing cards on the screened in porch and listening to Robert's jokes. I was always impressed with all the work he did to make the basement such a cool place for kids. Those summers spending time you your family were some of the best. He will be missed. Much love to you all.*

“ *Robert,  
My dear childhood friend! Bob, me, my brother Don, and Bill Kal were always together growing up. We were at each other's homes and we did our paper routes together, and we did almost everything together. Bob was one of the kindest, most caring persons that I have ever known, and he was always helping others. My condolences and my prayers to Marcia and family.  
Warmly,

“ *My brother was the best brother a person could ask for. He loved his family and would do anything for them. When he was a kid he had a newspaper route and would give all of his earnings to help our mother out. He will truly be missed. He was the most caring person and loved. I miss him.*
