“ We first met Bob and Evelyn in 1983. We were preparing to leave for mission work in the Philippines. They expressed an interest in visiting us, and possibly joining us in the work. They made a visit during our first term and then decided to come and join us. They came in 1987 and worked with us for almost 2 years. It was a great joy to work together. He helped teach at our ministry school, Mt. Hebron Institute, as well as many other aspects of the ministry. His family were a blessing to ours in many ways. He loved the Igorot people of Sagada, Mt. Province, Philippines. We shared many good and sometimes dangerous times together. As many of you know, Bob had a great sense of humor. He was also very generous, and on one occasion said he was taking us out to a small restaurant to celebrate my (Joe) birthday. He ordered ahead. It was a wonderful soup made with chicken intestines. They looked like spaghetti O's floating in the soup. That was his sense of humor. Bob followed his passion for missions, and was faithful until the end. We all will miss him, but we will be together for eternity! Love in Jesus, Joe and Pat Richter

“ *I had one of the rare privileges of knowing Bob McCoy as a Pastor, Uncle & Friend. Uncle Bob & Evelyn Aunty have been a close friend of our family since I was 12 years old (I'm almost 36 now). This was a friendship built well over 2 decades. He was and STILL is the the only pastor I was ever close to and I admired his commitment to the ministry. I will always miss his advise as he had a gift to give the right to the right person. Anyone that knew Bob Uncle will also definitely know his humor, the man always knew something to say to spark up the conversation. When I was spiritually lost at the age of 28 after losing my mother, he brought me back to Christianity, I owe him everything for that. My deepest condolence to Evelyn Aunty & the McCoy family.*

Anything for You - February 24, 2021 at 12:00 AM

“ Pastor Bob McCoy, the one who always greeted us from the HIF pulpit at Daewoo Hotel (in the early days of Hanoi) with a big "Good morning, Saints!" and a huge smile, reminding each one of us of how special we are to God. The one who gave our 10-year old son, Gideon, a 'job' at HIF, recording cassette tapes (yup! early days!) of each service, then copying and delivering to those interested. He knew Gideon wasn't too keen on 'church' each week. He knew how to include him. Bob, the one who laughed hard, prayed fervently, modeled husband-love for Evelyn, believed with great faith. Bob, the one who brought comfort and love to many of us. Bob, the one who displayed daily the love of Jesus. The one who God has already said, "Well done, thou good and faithful servant, enter! Bob, the one we will meet again... Soon and very soon. In loving prayers for Evelyn and family, Steve and Pat Copple

“ I and my family are forever grateful for Bob's role as grandfather, father, brother, mentor, pastor, and friend. Both Bob and Evelyn made all the difference for us as we arrived in Hanoi in 1997. Thanks to them, and much to Bob's wise council and loving care, our family learned to thrive and flourish in Vietnam's capital. It was an honor to play second fiddle under Bob's leadership in Hanoi International Fellowship, and to take up his mantle after him. I'm standing on his shoulders and now running the race with Bob cheering me and us all on towards the finish line from among the great cloud of witnesses. 'Well done, faithful servant, enter My rest.'

“ On behalf of Lan and my family, together with those many Filipinos that have been touched by God through the life of uncle Bob, our condolences to the Mc Coy. There are so many great memories and my favorite is the way Uncle whistles the Filipino National anthem, pointing using his lips and some funny authentic Filipino gestures. I am greatly touched by his life together with auntie Evelyn. Uncle Bob encouraged me to continue working for the Lord by focusing on loving my family next to God. The verse in Joshua 24:15 But as for me and my household, we will serve the LORD." still rings, verses to rally other Filipino fathers to focus and pray for our families. God is still using those words as I shared his words for others. Another quote that I heard from "Our mere presence in Vietnam is already a threat to the kingdom to the enemy" of course it's not because of the arm of the flesh, but the glorious power of His Spirit in us. Uncle Bob and Auntie Evelyn surely will remain as one of the most influential people in my life. May this ballpoint pen drawing that I created especially for Uncle and Auntie will remain a tribute to his life on how we (the Filipinos in Vietnam) once had Uncle Bob used by His Master to glorify the name of Jesus. Thank you, Uncle and Auntie. To the rest of Mc Coys our condolences!

“ Aunt Evelyn, Sherri, Danny and Bobby and extended family. May God be with you during this most difficult time. Uncle Bob had a heart of gold, the soul of a saint and a love for his faith and family that is beyond compare. I have so many fond memories of him while growing up, he was always there for me. I always looked forward to him coming home on leave while he was in the Navy and always looked forward to mail from him while overseas. He lent me a hand refinishing one of my first boats while loaning me his garage, he spent endless hours with me fishing Anchor Bay and always guiding me to be the best I could be. He was always there for my family during difficult times, especially during the loss of my parents, spending endless days with them both as their health deteriorated. I was always happy to hear from him when he and Aunt Evelyn would come to Minnesota as he always made it a point to come visit and spend time with us. He was my Uncle, the person I looked up to most in life, but most of all he was my friend. He was very special to me and I will forever be grateful to him. He will truly be missed by all that knew him. Godspeed Uncle Bob, I love you.
