“ Bob and I worked together for 35 years. He and the crew brought all of my designs to reality. It was his ingenuity and determination that made these sometimes crazy ideas actually work even when I wasn't sure anyone could. He brought his own style of humor to the job every day. He was a friend to us all and will be missed. Thanks Bob. Terry P.

“ *Bob you will be missed.  
I'll never forget trying to push you around on basketball court. I  
couldn't. You kicked my butt.  
Then you started calling me hoops everytime you saw me.  
RIP Bobby*
