

Robert Ryan McPherson

September 28, 1977 - May 26, 2026

Robert Ryan McPherson of Bruce Township, Michigan passed away on May 26, 2026 at the age of 48. He was born on September 28, 1977 in Warren, Michigan to Kathy and the late Robert McPherson. Very proud father of Kayla. Loving brother of the late Scott. Also survived by many loving aunts, uncles, cousins and friends.

To know the definition of a strong bond between a father and daughter is the bond Rob had with Kayla. He was the most dedicated, supportive father, he never missed a soccer game or any important event for Kayla, she was his whole life. Not only was he a fantastic father he was a wonderful son, a true friend and very dedicated to his family. Rob was the life of the party and it was never a dull moment when he was around. At work, as a manager, all his employees and coworkers had the upmost respect for him as he had the most outstanding work ethic and determination. Rob had a gift of bringing joy wherever he was. He will be deeply missed by all who knew him.

“*Rob was one of the best people I’ve ever had the privilege to work with. We shared the same office, and every day was filled with laughter, jokes, and working side by side to tackle the challenges that come with the car business. No matter what the day brought, we always had each other’s backs.*

While he was a very private person in many ways and could be a bit mysterious at times, one thing was always certain—he was there for everyone. Whether you needed advice, support, or just someone to make you laugh on a tough day, Rob was the person you could count on.

He was always excited about enjoying a great meal, cooking a steak at home, and making the most of life’s simple pleasures. Above all else, Kayla was his world. He spoke about her every day with the pride and love that only a devoted parent can have.

His mother was also a huge part of his life and truly one of his best friends. Family meant everything to Rob, and he never missed an opportunity to share stories about the people he loved most.

There will never be another Rob. I was looking forward to spending many more years working together and eventually retiring alongside him someday. His friendship, loyalty, and presence meant so much to all of us.

He will be truly missed, fondly remembered, and never forgotten.
