“ *Marty and I always enjoyed our visits with you and Donna and wish you well in your final resting place. I know how much you were respected and LOVED. Anyone who has a floral arrangement of a dog bone has got to be at the top of the list of kind human beings and you were that in SPADES. Hope to meet again in the Casino in the sky. “ I will miss my once-a-year phone call with you terribly, "Max." Each year you would tell me how much money you were going to take out of Las Vegas! Although, I never heard exactly what actually happened! Then, we'd spend an hour or more talking about family, past good times, politics, sports, and your exasperation trying to run Donna's PC.

*Have a safe trip, Bob. Brenda and I will miss you very much, but you will always be in our prayers.*
