“ I worked with Bob at Intellicosting for several years. Great guy. Only person who could set up these darn and overly complex Web-X meetings and then run through our extremely detailed presentation with all this engineering data that I could never understand...but the customers did and thanks to Bob, I was able to sell our services. I will miss Bob a ton.

Dear Angie and Scott,

Karen and I were shock to hear about Bob's passing. We are so very sorry. Please know that our prayers are with you and the entire Myers' Family. The Myers' Family holds a special place in my (Frank's) heart. So many times your family was there for me, when I first moved across the street from Bob's parents. Dick and Bill became my closet friends and everyone in the Myers' Family welcomed me into your family. I have such fond memories of Bob as we worked together at Commercial Tool and played a little golf from time to time. What a GREAT guy! We love you all! May the Lord be your portion of peace and comfort. We love you! Blessings in Jesus' name, Frank and Karen Mills
