

Robert Michael Neibel

May 27, 1966 - May 4, 2024

Robert Neibel was taken from us too soon, May 4, 2024 due to a medical condition. Loving and devoted husband of Jennifer (Biondi) and beloved father of Jack and Stephan. Son of Michael and Everly (Vollmer) Neibel, brothers Allen (Theresa) Neibel and David Neibel, nieces and nephew. He was loved by aunts, uncles and many great friends.

Rob was the proud owner of JS Biondi Construction with his partner in crime, his wife. His love of erecting commercial and industrial structures was his driving force. Together they built a wonderful life of family, adventure and work. Rob was a dedicated volunteer on multiple boards advising for the Packard Proving Grounds, this allowed him to be involved with history and building, two of his favorite past times.

Visitation for Rob will be from 2:00 p.m. to 8:00 p.m. on Tuesday, May 14, 2024 at the Wasik Funeral Home - Gendernalik Chapel located at 35259-23 Mile Road in New Baltimore.

There will be a funeral service at 11:00 a.m. on Wednesday, May 15, 2024 at the funeral home with visitation beginning at 10:00 a.m.

“ *I met Rob a little over 30 years ago when I think about him Words that come in mind are honestly, loyalty and integrity which to me means doing the right thing even when no one is watching I will cherish our conversations work related or not the endless jokes over the years I went from working under him as a sub contractor to working for him always bouncing ideas off each other no matter what project going forward I will always ask myself what would Rob do he taught me so much Rest easy my friend.*

The white water rafting adventure Rob partaken is a metaphor for life- it is a journey through rough water, down the river to our destination; just as our daily lives area journey through difficult times and ultimately into the presence of Gods good grace. (Schultz) is Robs bestowed River name (I know nothing,I see nothing!) Just like Vegas saying, but a little different taken from Hogan Heroes. See you Rob at my next destination hereafter; Your Coworker, Teacher and most of all Your Friend: Chief

“ When rob was born, his mom and dad lived upstairs from us. Everly and I had an aunt that told us when you have a baby that don't sleep at night. You need to take and turn him over from toe to head three times and that would put him back on the right schedule evidently that old wise tail works . I can still see Everly and I flipping Robbie over three times. May the good memories of Rob last forever in the heart of all that knew him.

*Rest in the loving arms of god.

“ *Rob was a huge help at Packard Proving Grounds. Everyone here is deeply saddened to lose our dear friend. It was just a week ago today that we were all together here at the grounds watching over a project that Rob was deeply involved with. A dark mantle hangs over us here. Rob will always be remembered and be a part of our history. Big hugs to his whole family.*

May happy memories comfort you.

“ Rob was a big part of Gator Construction and of my life. When I reflect back, the best years of my career was when I was partnered with Rob. What started as a working relationship, turned into a great friendship over many years. Countless good times and laughs. Rob will never be forgotten. He will always hold a special place in my heart. God Bless, my friend. Until we meet again.
