“ *With Deepest Sympathy,  
I have very fond memories of Bob working at Chevy Gear and Axle. Very nice person and always a pleasure to talk to. Back in the day we were all like family and Bob was no exception. He never had a mean word to say about anyone. Bob was a dedicated employee and was a good hard working Electrician. In the past year it was very nice to have Bob come and attend a few First Monday Morning breakfast, you could tell by everyone's response how glad we were to see him. You could also see it in Bob his reaction to all the old time stories coming from everyone who attended. No doubt he will be missed by family and his friends as well. Your friend, Joe Altz*
