“ My deepest sympathies to Bob's family on his untimely passing. Bob and I were classmates at St. Stanislaus and were working together to plan our 50th reunion this summer. Bob will always be remembered by us as a kind and happy man who was eager to help others whenever he could. We'll miss him at our reunion but we'll not forget his spirit and his outreach towards others. May his soul rest in peace and may he enjoy the light of God's presence forever.##imported-begin##Richard Dolinski##imported-end##

“ My sincere condolences to all of Bob's family and friends. I went to Stannies with Bob and became reacquainted with him working on our 50th class reunion. When I asked him to be on the committee he quickly agreed and for the past six months we have been communicating by email. I was so looking forward to seeing him at our meeting on Thursday. What a great guy! He was truly a remarkable person who cared so much for others. He will be missed at our reunion in July but we know he will be there in spirit.##imported-begin##Nancy Enright##imported-end##
