“ *Sue: I'm so sad to learn of your father's passing. What a kind man he was. I remember you had a birthday party sleepover in high school, and he had a wonderful sense of humor, dealing patiently with such a large group of chatty girls. He willingly drove a number of us home the next morning, trying calmly to follow our disjointed directions to our various destination. Prayers for you and Barb and all the Towery clan. His kindness, devotion to family and acts of kindness and support will surely be missed.*

“ *He was one of the greatest people I have ever met. Between his smile, his laugh, and his two handed handshake he had a talent for always making you feel like you mattered. We will all miss him.*
